

# 2014 Not Too Late Daily Schedule

## Thursday, July 31

If you are attending camp with teammates you will play on a team with your teammates. Teams will be 4 to 6 campers. Campers who are not attending with teammates will be placed on teams by the coaching staff. We will make every attempt to have balanced teams so that games are competitive. After Thursday afternoon coaches will re-distribute players to balance teams, if needed.

Skill groups have pre-determined by camp staff based on information that we have about campers. Our goal is to have 6 skill groups where players are close to the same ability. If you think you need to be moved to another skill group please speak with Amanda.
